Job Title: Electrical Maintenance / Projects Technician

Location: On-site - Dobwalls

Type: Full-Time, Permanent

Salary: £30,000 - £35,000 per year

We are currently seeking a dynamic and experienced Electrical Maintenance / Projects Technician to join our thriving Maintenance and Projects Team. This is a full-time, permanent position with a competitive annual salary.

Key Responsibilities:

- **Fault Finding:** Proficient in diagnosing issues with machinery control systems and PLCs.
- **Motor Drive Systems:** Hands-on experience with AC and DC systems up to 390 kW.
- **Electrical Installation:** Competent in the installation of machinery and associated services.
- **Testing and Calibration:** Skilled in electrical testing, instrumentation, and calibration processes.
- **Hydraulic and Pneumatic Control Systems:** Familiarity with these control systems.

Requirements:

- **Qualifications:** Ideally, ONC in Electrical & Electronic Engineering with a minimum of 10 years' experience or HNC with a minimum of 5 years' experience.
- **Regulatory Knowledge:** Thorough understanding of IEE and Electricity at Work Regulations.
- **Safety Systems:** Sound understanding of electrical safety systems and their integration with control systems.
- **Certifications:** Up-to-date Electrical Regulations certification; 18th Edition, although not mandatory, is desirable.
- **Flexible Attitude:** Ability to work flexible hours, including overtime and occasional unsociable hours.
- **Team Player:** Capable of working both independently and collaboratively within an integrated team.
- **Shift Work:** Availability for various shift patterns.

Benefits:

- Casual dress code.
- Company pension scheme.
- Life insurance coverage.
- On-site parking facilities.
- Employee Assistance Programme.
- Sick pay provision.

Experience:

- Minimum 5 years of experience in Electrical Engineering (preferred).

If you are a qualified and experienced Electrical Maintenance / Projects Technician with a proactive mindset and a commitment to excellence, we encourage you to apply. We offer a supportive working environment, competitive benefits, and opportunities for professional growth.
